FREE DIGITAL SKILLS TRAINING

with the Bexley Digital Champions Network

Digital Champions are trained volunteers who work with people to improve their digital skills and confidence.

They are based in local charities and at community hubs around the borough.

Digital Champions can help you:

- fill in online forms
- set up or use an email address
- send text messages
- use a video call for health or social appointments
- order groceries online
- print a form or photograph
- apply for a job
- access music and other entertainment

Digital Champions training is personalised, friendly and confidential.

It's delivered one-to-one or in groups, by appointment or at drop-in hubs around the borough.

Just bring your own device or use theirs.
